Full description :
(Specification of co-operation request / offer)

The company was established in 2009 but has a know-how and experience of over 15 years. They produce a wide range of safety footwear for special conditions (extreme cold-felt boots, oil resistant shoes and boots, metal toe cap boots, metal slide shoes, waterproof leather shoes, high temperature resistant shoes etc.), office/terrain shoes and boots for Army, Police and security companies. They also sell safety accessories like protective clothing and workwear (overalls, safety belts, welder apron, gloves, office belts, etc.), accessories for working at heights and in the field of security, other accessories. The company is searching for customers and distributors to sell their products. They are also interested in finding leather suppliers.

Main advantages the company could offer to a potential partner

All of company's products are of good quality and made from natural leather.
